The trucks usually drop the cans as close to where they pick them up as possible to be safe.

Dear Liz,

Kevin Nahai from CD5 over here. How are you! I have a favor I was wondering if you or one of your colleagues can help me with...

My sister lives in CD10 at 1229 S Rimpau Blvd and she has been having an issue with the Sanitation drivers leaving her receptacles in the middle of the driveway every time the bins are emptied. I have attached a couple of photos.

Do you know someone in Sanitation you, I, or my sister can speak to about this? I know it's not a huge deal, but if the drivers could be a little more respectful about not blocking the driveway with the bins, that would be amazing.

Let me know - thanks so much!
